Safety & Cleanliness: Case Studies

Doe Fund, NYC

Program started in New York City in 1985 that provides transitioning homeless men a room and employment as a trash collector.

Started in only 5 blocks. Quickly became popular and was welcomed by residents in over 150 NYC blocks.

Curitiba 1971, Brazil

Reward system for sorted trash in neighborhoods with poor and homeless.

The community cleaned the streets for bus tickets and produce.

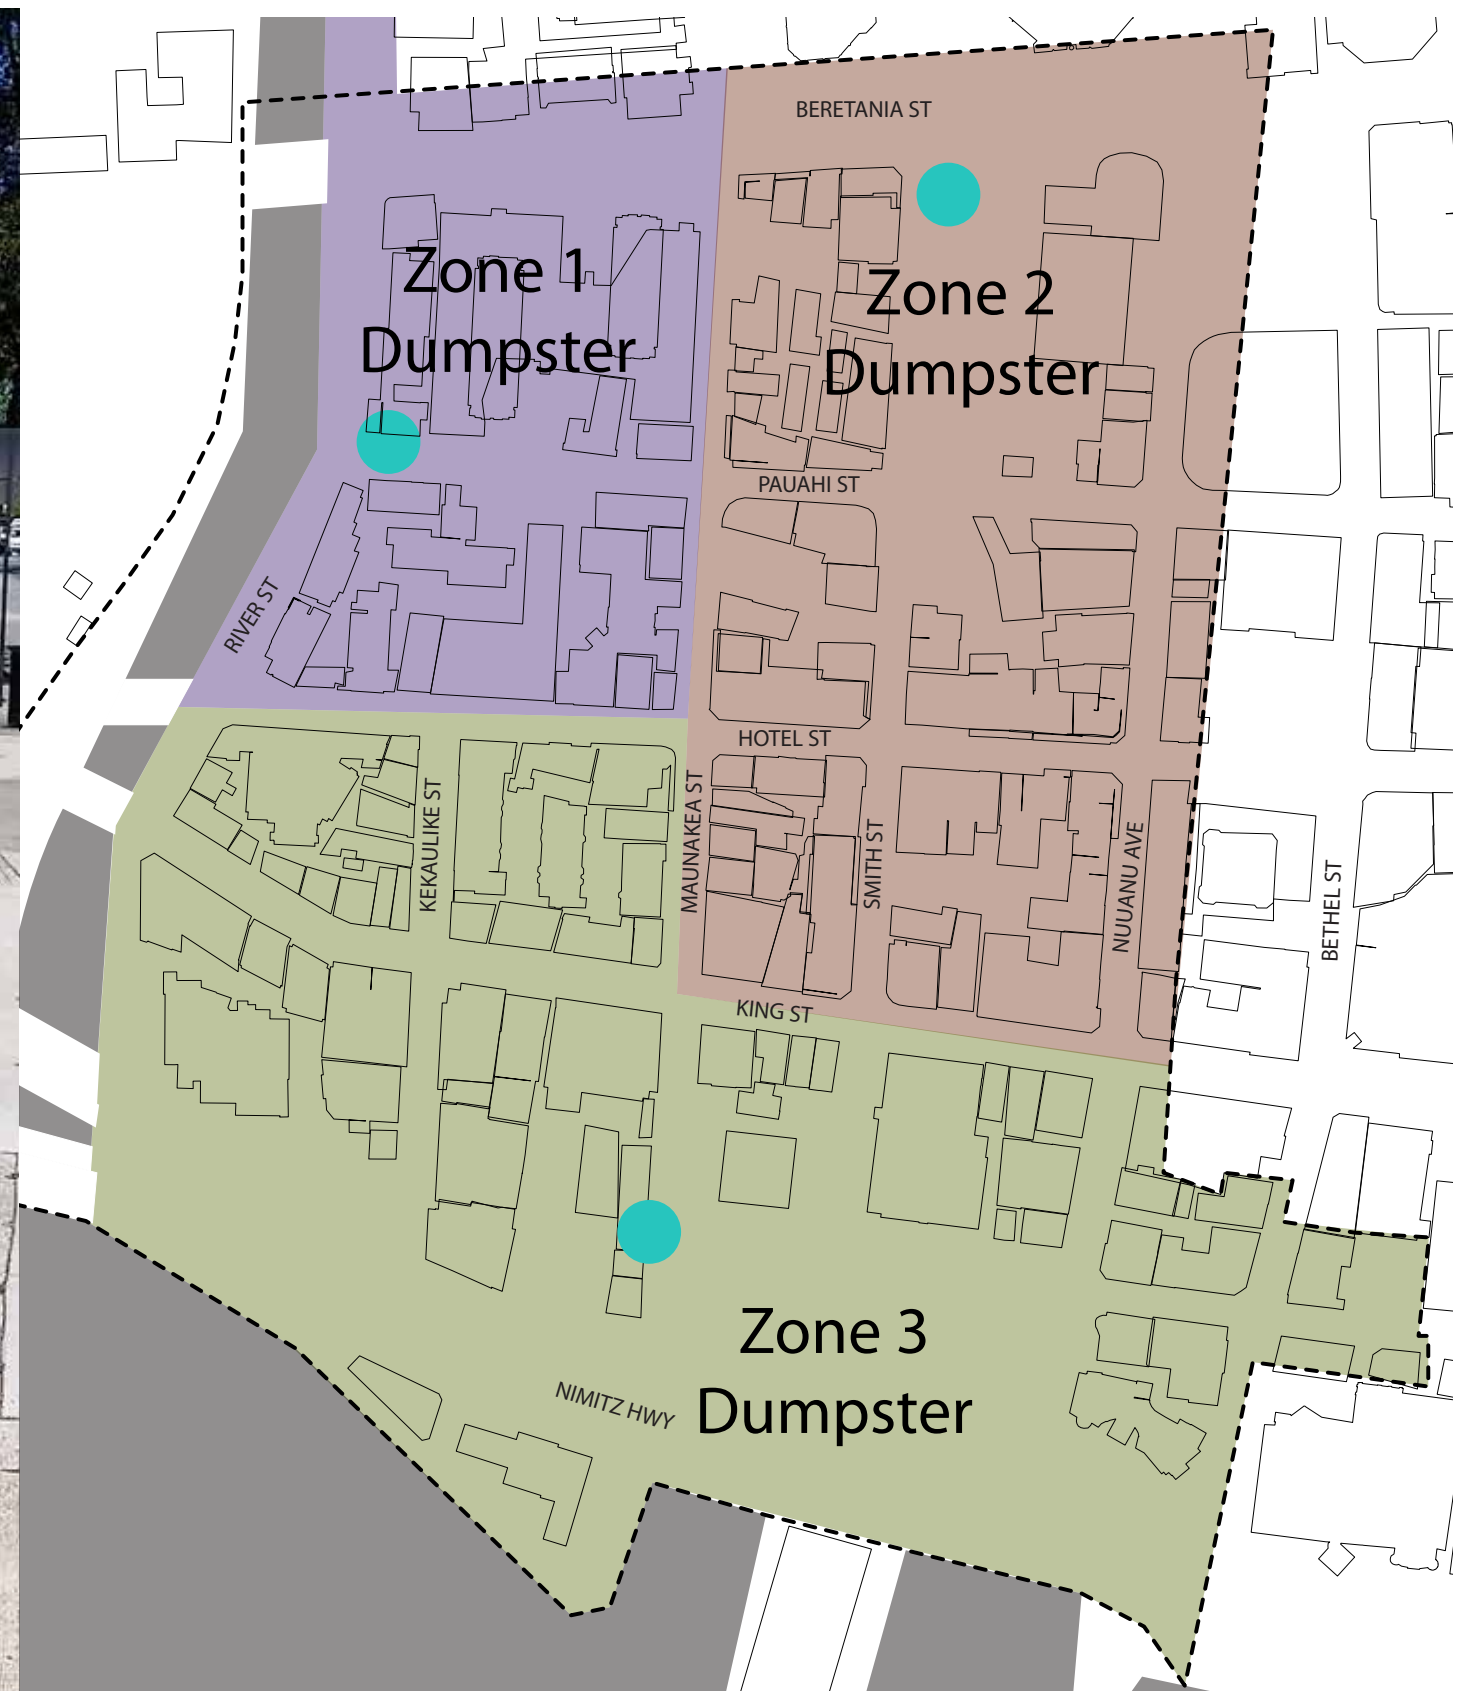

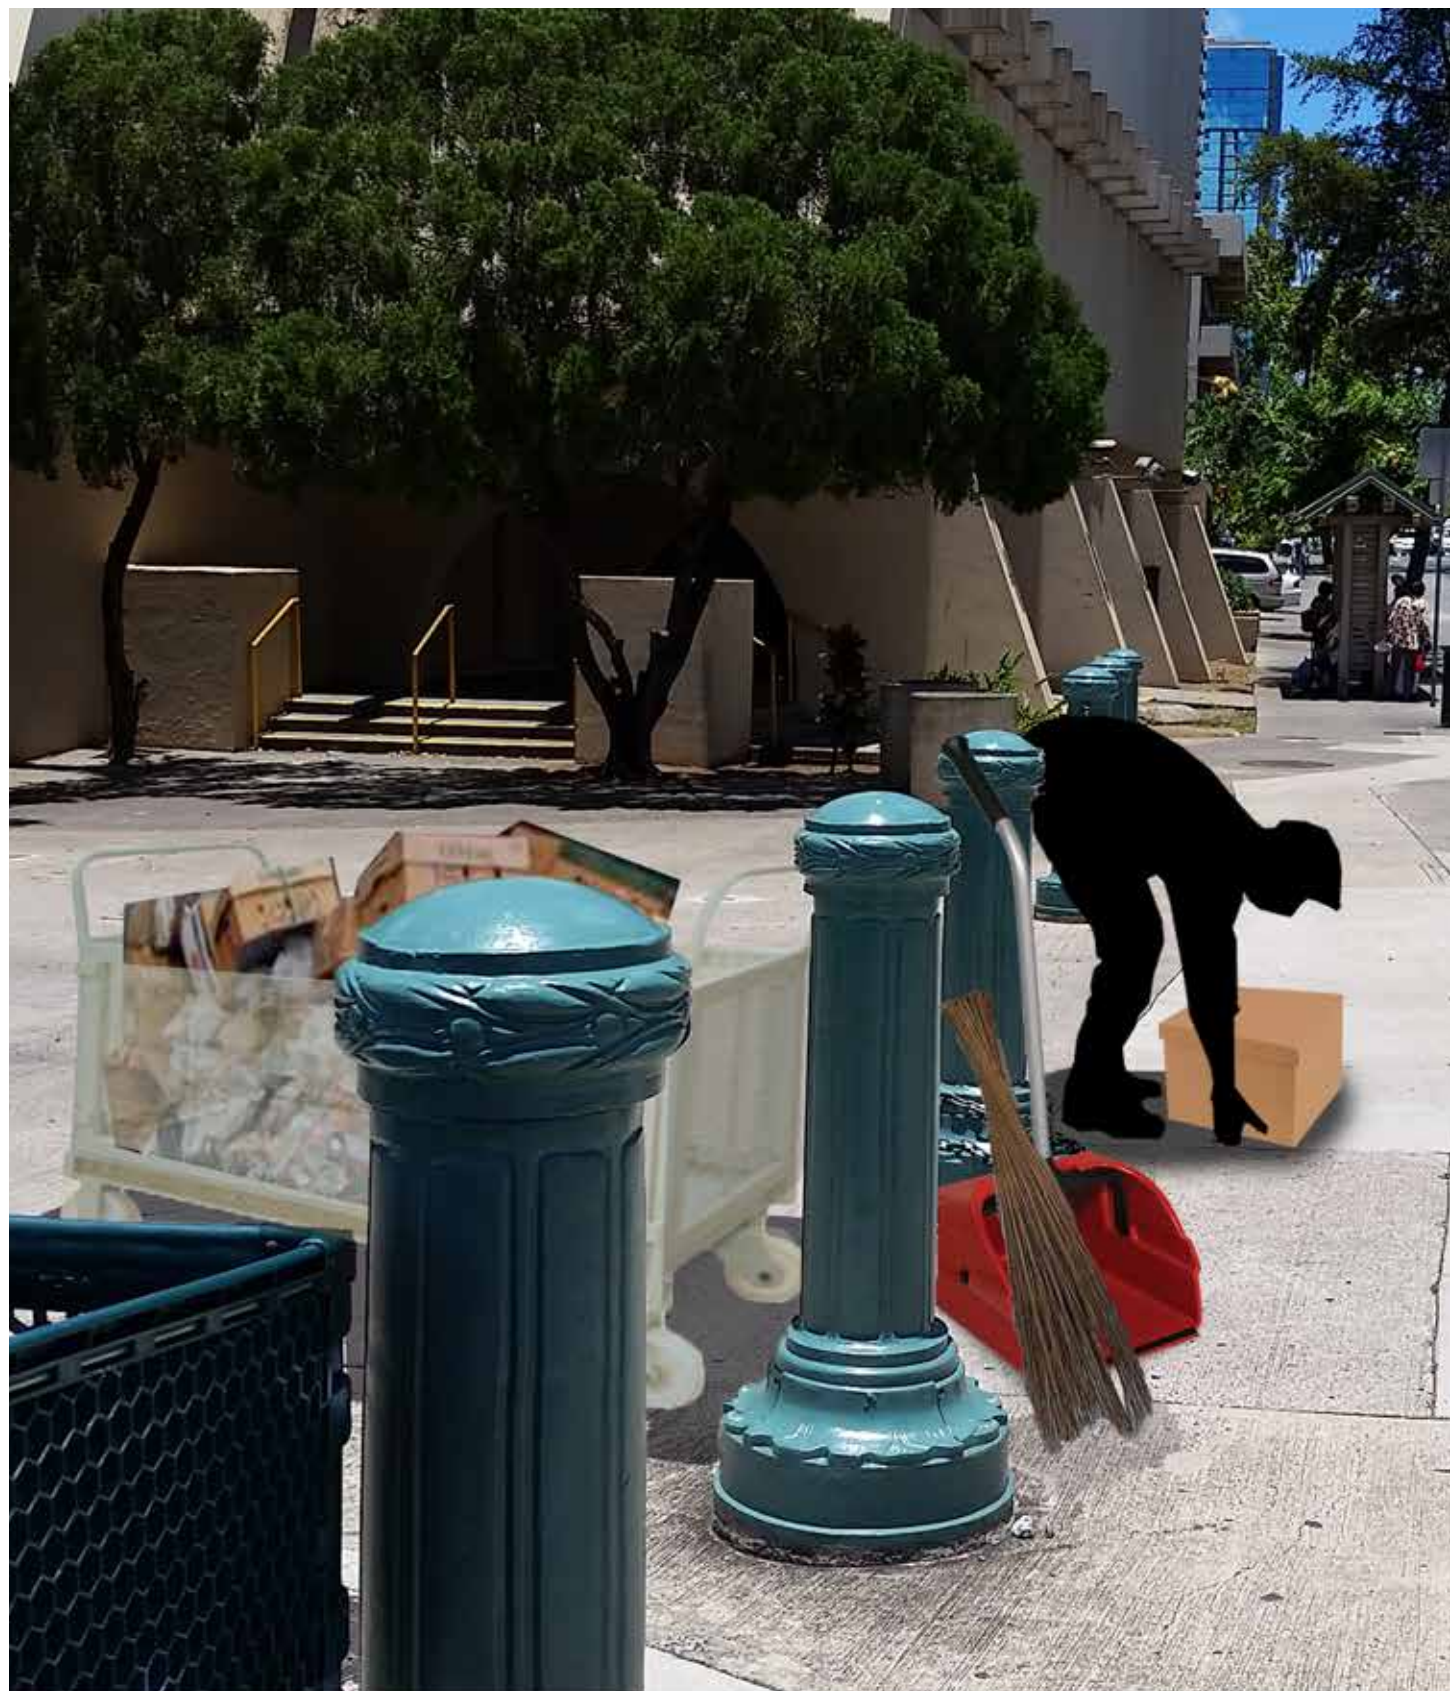

Poverty decreased dramatically.
